- to recognize the mutual value of joint discussion and negotiations in all matters pertaining to working conditions, hours of work and scale of wages, etc.;
- to encourage efficiency in operation;
- to promote the morale, well-being and security of all the employees in the bargaining unit of the Union;

AND WHEREAS it is desirable that methods of bargaining and all matters pertaining to the working conditions of the employees be drawn up in an Agreement;

NOW, THEREFORE, the parties agree as follows:

ARTICLE 2: RECOGNITION AND NEGOTIATIONS

(a) The Employer or anyone authorized to act on its behalf recognizes the Union as the sole collective bargaining agency for its employees classified and covered by this Agreement and hereby consents and agrees to negotiate with the Union or anyone authorized to act on behalf of the Union, in any and all matters affecting the relationship between the parties to this Agreement, looking forward to a peaceful and amicable settlement of any differences that may arise between them.

(b) No Other Agreement

No employee shall be required or permitted to make any written or verbal agreement with the Employer or its representative which may conflict with the terms of this Collective Agreement, without the consent of the Union.

ARTICLE 3: RIGHTS OF EMPLOYER

The Union recognizes the rights of the Employer to operate and manage the schools in accordance with its commitments and responsibilities and to make and alter from time to time rules and regulations to be observed by employees. Such rules and regulations shall not be contrary to any provisions of this Agreement.

The Employer shall always have the right to hire, assign, discipline and discharge employees for proper cause, and such right shall not be exercised in a manner inconsistent with the provisions of this Agreement.

ARTICLE 4: NO DISCRIMINATION/HARASSMENT

(b) Harassment

The Employer recognizes the right of all employees to work, to conduct business and otherwise associate free from harassment or sexual harassment.

Definitions:

Such a complaint shall be filed within six (6) months of the behaviour or comment giving rise to the complaint.

ARTICLE 4: NO DISCRIMINATION/HARASSMENT (cont'd)

(d) Review of Complaint

The Superintendent or designate shall take appropriate action to address the complaint. Such action will include a review of the complaint by a trained or experienced person who may recommend mediation, a more detailed investigation into the allegations, and/or dismissal of the complaint.

The Employer agrees to acquaint all new employees with the fact that an Agreement between the parties is in effect and with the conditions of employment set out in Articles 5 and 6 dealing with Union Security and Dues Check off.

Any representative of the Union on this Committee, who is in the employ of the Employer, shall have the privilege of attending meetings of the Committee held within working hours without loss of remuneration provided the department head has prior notice.

ARTICLE 10: JOINT OCCUPATIONAL HEALTH & SAFETY COMMITTEE

The parties agree that the intent of this Agreement is to ensure that all employees shall have access to the Occupational Health and Safety Committee structure. The Joint Occupational Health and Safety Committee will be established and operated as outlined below:

- (a) Union representatives shall be employees appointed by the Union; the Employer representatives shall be appointed by the Employer.
- (b) The committee will function in accordance with the Industrial Health and Safety Regulations and will participate in developing a program to reduce risk of occupational injury and illness. All minutes of the meetings of the committee shall be recorded in a mutually agreed form and shall be sent to the Union and the Employer.

- (d) Committee meetings shall be scheduled during normal working hours whenever practicable. Time spent by designated committee members attending meetings held on their days of rest or outside their regularly scheduled hours of work shall not be considered time worked, but such committee members shall receive cash or equivalent time off at straight time.

ARTICLE 11: SUBCONTRACTING

The Employer agrees that work or services presently performed or hereafter assigned to the collective bargaining unit shall not be subcontracted, transferred, leased, assigned or conveyed, in whole or in part, to any other plant, person, company or non-unit employee excepting:

- (i) that the Employer reserves the right to subcontract the operations of school buses, provided the Union is notified at least six (6) months in advance and agreement is reached through negotiations between the parties to this Agreement, and,

ARTICLE 11: SUBCONTRACTING (cont'd)

- (ii) In instances where the Employer feels that any operation presently performed within the bargaining unit could be more efficiently performed in some other manner the Employer may, in consultation and by agreement with the Union, subcontract that particular operation.

ARTICLE 12: MECHANIZATION AND TECHNOLOGICAL CHANGE

No regular employee shall be dismissed because of mechanization or technological change unless through discussion between the Employer and the Union agreement has been reached.

In the event that the Employer should introduce any technological methods or mechanization which require new or greater skills than are possessed by an employee under the present method of operation such employee shall, at the expense of the Employer, undergo a period of training, during which time the employee will have the opportunity of becoming fully qualified. Prior to entering into the training period, discussion shall take place between the parties of this Agreement in order to determine the manner and method of replacing the employee during training and the job to which the employee may return if unsuccessful in completing the training.

ARTICLE 13: SEVERANCE PAY

If, as a result of the Employer ceasing all or part of the operations, or merging with another Employer, or if by reason of any changes in operating methods the Employer is unable to provide work for a displaced employee with five (5) or more years of service with no reduction in pay in a comparable class of work, the employee shall be given thirty (30) days' notice and severance pay on the basis of one (1) week's pay, at the regular rate of the position last occupied, for every year of completed service with the Employer.

ARTICLE 14: DEFINITION OF EMPLOYEES

(a) Regular Employees

Regular employees are those employees who have been assigned to an established position and who have completed probation in accordance with Article 15(b). This includes full and part-time employees.

(b) Temporary Employees

Temporary employees are those employees who replace regular employees on leave or who are hired for specific projects.

ARTICLE 14: DEFINITION OF EMPLOYEES (cont'd)

- (c) The following groups of employees shall receive \$1.28 per hour (\$1.50 effective July 25, 2014) in lieu of short term disability (Article 28), paid leaves of absence (Article 33), benefits (Article 32) and clothing allowance (Article 36(g)):
 - (i) regular employees on layoff who are called for temporary work under Article 16(f), on expiration of the two-month period under Article 16(g);
 - (ii) temporary employees with seniority;

The payment shall not be made when an employee relieves in a position regularly scheduled less than half-time unless the employee works half or more of the normal weekly hours.

- (d) On expiration of the two-month period under Article 16(g), a regular employee on layoff may opt at the time of initial layoff to continue on the regular benefit plans provided the plan permits. In such case the employee shall be responsible for payment in advance of both shares of the premium costs for two (2) months at a time.

ARTICLE 15: SENIORITY

- (a) Definition

Seniority is length of service with the Employer and, except as provided for in Articles 15(b) and 15(c) with respect to temporary employment, shall date from the original date of commencing work.

The Employer shall maintain a seniority list showing the commencement date of each employee's seniority. An up-to-date seniority list shall be sent to the Union and posted on all bulletin boards in April of each year. The Employer shall be notified within thirty (30) days of any errors. The determination of seniority shall be in accordance with the earning system in effect at the time of the alleged error.

Seniority shall operate on a bargaining unit-wide basis.

As of July 1, 2003, when two or more new employees commence work on the same day the procedure for establishing their relative seniority shall be as follows:

- (i) In the event of a tie the person who received the first initial formal interview by date and time shall have the greater seniority.

- (b) Regular Employees' Attainment of Seniority

Newly hired employees appointed to established positions shall be on probation for sixty-five (65) of the employee's working days or six (6) calendar months, whichever comes sooner from the date of commencing work. During the probationary period

ARTICLE 15: SENIORITY (cont'd)

employees shall be entitled to all rights and privileges of this Agreement unless otherwise provided, except with respect to discharge. The standard of discharge for probationary employees shall be lack of general suitability for continued employment.

On completion of probation in the established position, seniority shall be effective from the original date of commencing work and any days actually worked as a temporary employee within the preceding twelve (12) months shall also be counted as time accumulated for seniority purposes. The date of commencing work where temporary work is to be counted shall be determined by retroactively adding the number of working days equal to those actually worked by the employee to the date of commencing work as a regular employee. A statutory holiday shall be considered a day of work.

(c) Temporary Employees' Attainment of Seniority

Temporary employees shall be placed on the seniority list when they have completed one hundred and twenty (120) days, including paid statutory holidays, in the preceding twelve (12) months. The date of commencing work for seniority purposes shall be twenty-four (24) weeks prior to the day immediately following the one hundred and twentieth (120th) day.

Where a temporary employee who has been placed on the seniority list is appointed to an established position, the probation period shall be waived and the employee shall be deemed to be a regular employee. Such employees shall serve the trial period required by Article 17(c). In the event the employee is unsuccessful in the trial period, the employee shall revert to temporary status.

(d) Seniority During Absence

If an employee is absent from work because of sickness, accident, layoff, or leave of absence approved by the Employer, the employee shall not lose seniority rights.

An employee shall lose seniority in the event that the employee:

- (i) is discharged for proper cause and is not reinstated;
- (ii) resigns;
- (iii) is absent from work in excess of five (5) working days without notifying the Employer unless such notice was not reasonably possible;
- (iv) fails to return to work after a layoff within seven (7) calendar days, after being notified by registered mail to do so, unless through sickness or other just cause. It shall be the responsibility of the employee to keep the Employer informed in writing of a current address;
- (v) is laid off and not re-employed within twelve (12) months after layoff;
- (vi) does not accept offered work for a minimum of twelve (12) shifts per each one-half year and is not on an approved leave.

ARTICLE 15: SENIORITY (cont'd)

Interpretation

One-half year shall be defined as the period from February 1 to July 31 and August 1 to January 31 in any calendar year.

All employees on sick leave, pregnancy leave, parental leave, general leave or any other approved leave shall be exempt from the requirement outlined in Article 15(d) (vi).

(e) Transfers and Seniority Outside the Bargaining Unit

No employee shall be transferred to a position outside the bargaining unit without consent. If an employee is transferred to a position outside of the bargaining unit, the employee shall retain seniority acquired at the date of leaving the unit, but will not accumulate any further seniority. If such an employee later returns to the bargaining unit, the employee shall be placed in a job consistent with seniority. Such return shall not result in the layoff or bumping of an employee holding greater seniority.

(f) Retention of Seniority Rights

In the event that the Employer shall merge, amalgamate or combine any of its operations or functions with another Employer, the Employer agrees to the retention of seniority rights for all employees coming within the new bargaining unit of the successor Employer.

ARTICLE 16: LAYOFF, BUMPING AND RECALL

(a) General

Both parties recognize that job security shall increase in proportion to length of service. Therefore, in the event of a layoff, reduction of hours, bumping and recall, the governing principle shall be seniority, except as otherwise provided.

Temporary employees not on the seniority list shall not be entitled to bumping and recall rights.

(b) Procedure

The Employer shall determine which position(s) is/are to be terminated or reduced in hours. Where positions are interchangeable and not tied to geographic location, the position(s) occupied by the most junior employee(s) shall be terminated or reduced.

ARTICLE 16: LAYOFF, BUMPING AND RECALL (cont'd)

(c) Notice

In the event of reduction in the workforce, the Employer shall serve written notice on those employees who will be laid off or have their hours of work reduced, as follows:

- (i) Regular employees - not later than thirty (30) calendar days prior to the effective date of layoff or reduction of hours;
- (ii) Temporary employees on the seniority list - not later than seven (7) calendar days prior to the effective date of layoff;
- (iii) Where recall from layoff is for a temporary period of less than fifteen (15) working days, notice under this clause shall not be required for subsequent layoff.

Such notice shall advise the employee of the right to bump and shall contain a copy of the seniority list with the job titles, locations and work assignments of all employees with less seniority than the employee.

(d) Bumping

An employee whose position is subject to layoff or reduction of hours shall be entitled to bump a junior employee provided the employee is qualified to perform the duties of the position occupied by the junior employee. If an employee is in the process of preparing for the required qualifications at the time of notice of layoff or bumping, the employee shall be allowed to bump provided the qualifications are achieved before the scheduled date of assuming the position. The laid off employee, whether part-time or full-time, may bump either a part-time or full-time employee. Where a temporary position occupied by a regular employee is terminated, the employee shall revert to the employee's previous position.

The employee shall exercise the right to bump by informing the Employer of choice(s) within five (5) working days of receiving notice under (c) above. Where an employee declines to exercise the right to bump, the right shall be forfeited for that layoff or reduction. By mutual agreement between the Employer and the Union, the five (5) working days may be reduced to three (3) working days.

Where an employee exercises the right to bump and subsequently is unable to perform adequately the duties of the position, the employee shall have the right to bump only the most junior employee whose position the employee is qualified to fill.

(e) Recall

- (i) Employees who are laid off or bumped shall be recalled in writing to their former position when it becomes vacant. "Former position" shall mean the last regular position to which the employee was appointed by way of job posting or initial hire.

ARTICLE 16: LAYOFF, BUMPING AND RECALL (cont'd)

- (ii) Where the former incumbent on layoff is not the senior person on layoff, the most senior laid off employee shall be recalled to the position subject to recall.
 - (iii) Where hours are increased to their former level or higher and the previous incumbent exercised the right to bump, that employee shall have the right to recall. Where the former incumbent declines recall, the present incumbent will be maintained in the position with increased hours.
 - (iv) Where a position becomes vacant and the former incumbent is no longer available or declines the recall, the vacancy shall be posted in accordance with Article 17. Vacant positions which were not affected by layoff or bumping shall be posted in the normal manner.
 - (v) Subject to Article 15(d)(v), recall rights shall be maintained by an employee for a period of two (2) years.
- (f) Temporary Work
- Employees with seniority who are laid off shall inform the Employer in writing, on the form provided, of the nature and location of temporary work to which they wish to be called. The Union shall be provided with a copy of the form.
- Employees shall be called to such work in seniority order so that no qualified employee is involuntarily without work while a more junior employee is working.
- Employees with seniority whose temporary work ceases shall not have the right to displace another employee whose temporary work will continue for less than a further two (2) weeks.
- (g) Continuation of Benefits
- The Employer agrees to pay its share of the monthly premium of the medical, extended health, dental and group life plans up to two (2) months for regular employees who have been laid off.
- (h) Annual Summer Layoff of School Term Employees
- Except for (g) above, this Article shall not apply to the annual summer layoff of school term (nominal ten-month) employees. The availability of summer work for such employees shall be determined by the parties in accordance with past practice.
- (i) Recall Rights or Resignation Options
- Upon being laid off an employee shall have thirty (30) days in which to opt for recall rights under Article 16(e) or to resign. Upon resignation the employee shall be paid one (1) week's pay for each complete year of service up to a maximum of twenty (20) weeks' pay. This option shall only be available to an employee who has been a regular employee for at least one (1) year and who has exhausted bumping rights under Article 16(d).

ARTICLE 17: PROMOTIONS AND STAFF CHANGES

(a) Job Posting

When a vacancy occurs the Employer shall notify the Union in writing and post notice of the position in the Employer's office, shops and on all Union designated bulletin boards for a minimum of five (5) working days in order that all regular employees will know about the position and be able to make written application therefore. Such notice shall contain information outlining nature of position, required knowledge and education, ability and skills, shift, wage, job evaluation number and location(s) of work.

No advertisement for additional employees shall be made until after such posting has been completed. By agreement with the Union this requirement may be waived for an individual posting.

Where a position, initially posted as part-time, is increased to full-time it shall be posted as a vacancy and the incumbent shall be given notice of layoff in accordance with Article 16. Adjustments in hours of part-time positions to other than full-time shall be assigned to the incumbent. If the incumbent of a position accepts a reduction from full-time to part-time and does not exercise bumping rights under Article 16(d) a return to full-time hours shall be assigned to the incumbent. If the incumbent accepts a reduced rate of pay for the position without exercising bumping rights, a return to the former rate of pay for the position shall be assigned to the incumbent.

When 10 month positions are increased to 12 month positions, the incumbent shall be laid off and the job posted.

(b) Temporary Vacancies

- (i) In the event of a temporary vacancy in excess of eight (8) weeks that the Employer wishes to fill or in the event of the Employer establishing a position of a temporary nature that will exist for more than eight (8) weeks, that vacancy (position #1) will be posted in the normal manner.
- (ii) Should a regular employee be the successful applicant for position #1, that employee's job (position #2) shall be posted temporarily. Should a regular employee be the successful applicant for position #2, that employee's job (position #3) shall not be posted. Position #3 shall be available to employees with the required qualifications, fitness and ability on layoff first, then temporary employees with seniority.

 - 4.3 Where mediation is unsuccessful, the matter may be referred to arbitration.
 - 4.4 The selection and subsequent appointment of an arbitrator shall be by mutual agreement between the Union and Employer. Should there not be agreement, Article 19 shall apply.

The following provisions shall only be changed with the agreement of the Union:

- **Bus Drivers – Regular Hours**

The Employer will not, without the Union's concurrence, extend temporarily a driver's regular hours of work simply to eliminate the payment of overtime on such as field trips or other non-scheduled trips. The term "temporary" shall be considered as a period of time less than one school semester.

- **Bus Drivers – Sports Events**

1. The driver will automatically be on lay-off on the days for which no sports are scheduled.
2. All hours worked up to eight hours on a shift will be paid at straight time.
3. All hours worked beyond an eight-hour shift will be paid at the appropriate overtime rate according to the current Collective Agreement.
4. The driver will be on call, according to seniority, for relief work on the days for which no sports are scheduled.

- **Bus Driving Hours**

1. Where a change in hours by way of an increase or a decrease of not less than one-half hour per day occurs, the affected employee shall be entitled to the one (1) week notice referred to in the note within this Schedule.
2. Where a decrease in hours exceeds one-half hour per day, the affected employee shall be entitled to exercise bumping rights in accordance with Article 16(d).

3. Increases in hours of any amount shall not be subject to posting but shall be retained by the incumbent.
4. Each driver shall be advised by letter in August of each year, of the hours regularly scheduled for that driver's route for the coming school year.
5. Required qualifications for certain routes may include the requirement to be resident in the general geographic location of the route, in order that the bus may be parked at the driver's residence.

- Settlement Workers

Given the unique nature of the Settlement Worker position, Settlement Workers' start and stop times may vary from time to time within the hours of 8:00 a.m. and 8:00 p.m..

- Traffic Safety Officer

Given the unique nature of the Traffic Safety Officer position, the Traffic Safety Officer may be required to work split shifts periodically. However, in no event are the Traffic Safety Officer's hours to extend over a period longer than twelve (12) hours.

- Interpreters

Interpreters shall receive one week's notice of any shift change required for bona fide reasons based on providing services to the designated student. Should an Interpreter agree to return to work for an event, they will be paid a minimum of two (2) hours at overtime rates (time and one half) and shall be paid from the time they leave their home to report for work until they arrive back upon proceeding directly from work. Should he/she work beyond two hours, the time beyond two (2) hours will be paid at double time.

- Aboriginal Student Advocates

Given the unique nature of the position of Aboriginal Student Advocate, employees in this position will be able to exercise their professional judgment and alter their normal work schedule. It is expected their daily work hours will be consecutive and will fall between 7:00 a.m. and 6:00 p.m. Monday through Friday.

- Rescheduling Hours of Work

The employer agrees it will provide employees with a minimum of five (5) working days' notice prior to implementing a shift change and will copy the Union on all notices. This notice may be given in writing or via email, except those shift changes which arise from a CEA's requirement to attend an IEP, which may be given verbally, and for which no notice need be provided to the Union. The parties agree that no shift change notice is required for the Settlement Worker or Traffic Safety Officer positions.

The parties agree that, on occasion, a shift change may result in an employee working beyond 5 p.m. and, in such an event, that employee will not be compensated at overtime rates provided the employee does not exceed his or her normal daily hours of work. For purposes of this clause, "on occasion" shall mean a maximum of six (6) times per year.

APPENDIX 1

Pay Equity Implementation Agreement (Revised) between School District No. 23 (Central Okanagan) and CUPE Local 3523

The parties to this revised pay equity implementation agreement had previously agreed to a job evaluation plan with banding that had received initial approval of the Public Sector Employers Council. The implementation of the Job Evaluation program was funded by PSEC as per the PSEC guidelines and Pay Equity Regulations.

In January of 2000 the parties as a result of the signing of the Interim Accord on January 24, 2000 agreed to a Pay Equity Review.

The Pay Equity Review section is reproduced below for clarity.

The parties agree that pay equity is intended to address systemic, gender based wage discrimination experienced by female employees, but ***is not intended to prejudice the interests of male employees.*** (emphasis added).

The Parties agree that the implementation of Pay Equity Plans must be based on principles of fairness, consistency and equity across the sector. To this end, they also agree to the appointment of a two-person panel to review, in detail, all the pay equity implementation plans in the K-12 sector for consistent application of the above principles.

The Union and the Employer shall meet within 5 days to agree on a terms of reference of the review and the panel nominees. The review shall be completed within 30 days of the signing of this interim accord and the panels report and recommendations shall be incorporated into the final Accord.

In the interim, until the review is completed, the Parties agree that implementation agreements for pay equity plans not yet approved by PSEC will not include red-circling of incumbents.

This review was completed in early March of 2000 and as a result the agreement between SD 23 and CUPE Local 3523 was identified as one of the agreements that might not be consistent with the principles outlined in the Interim Accord.

To that end the parties to this agreement have met and reviewed the previous agreement and as a result have addressed changes in that agreement as follows:

The parties agreed on February 13, 2001 to change the wage schedule by adopting the rates of pay shown in Appendix "A" of the July 1/97 to June 30/03 Collective Agreement as amended and revised for costing purposes November 6, 2000.

This will provide new male and female wage lines based upon the following criteria.

1. Minimum Points – 250 Maximum Points – 775.
2. Band Width – 40 points.
3. Minimum Target rate - \$14.79 (1995/96 rates).
4. Differential between pay bands - \$.71.
5. Number of pay bands – 14.
6. Includes noon hour supervisor, noon hour supervisor special education, and crossing guards who are regularly scheduled employees.
7. Total cost of this agreement is 9.47% of CUPE payroll.
 - a) Male cost is 1.94% to raise the males to the appropriate rates
 - b) Male cost includes the cost of grandparenting incumbents at the collective agreement rate where the rate would be less in a full JE implementation.
8. Weights – the weighted point values agreed to are:

Factor	1	2	3	4	5	6	7	8
Con	20	40	60	80	100			
Ed	21	43	64	86	107	129	150	
Err	20	40	60	80	100			
Exp	19	38	56	75	94	113	131	150
Hum	8	17	25	33	42	50		
Judge	25	50	75	100	125	150		
PD	20	40	60	80	100			
SD	20	40	60	80	100			
WC	20	40	60	80	100			

9. Job Ratings – total points assigned to each classification are shown in Appendix "B" of the July 1/97 to June 30/03 Collective Agreement.
10. Pay Equity Calculations are shown in Appendix "C" of the July 1/97 to June 30/03 Collective Agreement. The cost of Pay Equity is 7.96%. However, the cost of female adjustments in this agreement are equal to $9.47\% - 1.94\% = 7.53\%$.

In addition to the revised pay plan that was developed in order to attain the principles of fairness, consistency and equity across the sector the parties have agreed to reallocate a

portion of monies paid out of wage increases in 1994 and 1996 to male dominated jobs to ensure the full implementation of both the pay equity portion and of the banding scenario at the same time.

This reallocation is done without cost to SD 23 as it simply reallocates monies within the current pay plan to the new pay plan.

Pay Equity adjustments shall be made as follows:

April 1, 2000 - a fraction of the difference between the current rate and the target rate (subject to receipt of government funding)

April 1, 2001 - a fraction of the difference between the current rate and the target rate (subject to receipt of government funding)

April 1, 2002 - a fraction of the difference between the current rate and the target rate (subject to receipt of government funding)

April 1, 2003 - the remaining difference between the current rate and the target rate (subject to receipt of government funding)

The parties have further agreed to apply for the remainder of the 1% pay equity funding (year 3) from April 1, 1999 that was not used in the previous pay equity program. This will be applied as part of the April 1, 2000 anticipated adjustments.

Employees who move involuntarily by reason of layoff (including being bumped) or who are recalled to a former position shall receive one of the following rates:

- Where There is One Current Rate of Pay

If the employee's rate before the move equals or is less than the current rate of the new position to which the employee is moving then the employee receives the new current rate; otherwise, the employee receives the target rate.

- Where There are Two Current Rates of Pay

If the employee's rate before the move equals or is less than the lower current rate for the new position to which the employee is moving, then the employee receives the new lower current rate; otherwise, the employee receives the new higher current rate OR if the employee's rate before the move is greater than the new higher current rate, then the employee receives the new target rate.

Employees who move voluntarily to a position of a different number by way of posting shall receive the current rate for the position to which they post.

Employees who move to another position of the same job number retain their current rate.

The parties have agreed that they will participate in a mutually agreed training program regarding job evaluation/pay equity maintenance.

Finally the parties have agreed to address the matter of grandparenting/red-circling as follows:

- All employees shall receive the current negotiated rate for their position except for those employees who are deemed to be red-circled.
- Those red-circled employees will be grandparented and will receive any current or future wage increases as long as they remain in a job identified by the same job number or until the current rate equals or exceeds the red-circled rate.
- Current rate for the purpose of this agreement means the negotiated rate in effect on the date of implementation of a rate change (through negotiated rate increases or pay equity/job evaluation adjustments) or the rate in effect on the date of a grandparented employee's new assignment.

RE: AUTOMOBILE ALLOWANCE – POSTED RELIEF CUSTODIANS

Relief custodians will be paid an automobile allowance, at the rate specified in the Collective Agreement. Mileage is to be paid from the closest school to the Posted District Relief Custodian's home to the school assigned.

It is agreed that the relief custodian is not required to drive to the closest school from the roadway on the way to and from his assigned school, but that the distance (from the closest school to the roadway and returning to the closest school) should be included in the mileage claim.

Example 1:

A relief custodian who lives in Penticton and works out of Mt. Boucherie would be paid mileage from Peachland Elementary to Mt. Boucherie, and from Mt. Boucherie to Peachland Elementary, as well as any mileage for assigned work during the day such as travel from Mt. Boucherie to Glenrosa Middle School if work was required at GMS during the day. Mileage calculation would then conclude at Peachland Elementary at the end of the work day. The custodian, on his/her way from Penticton to Mt. Boucherie, would not be required to drive from the highway to and from Peachland Elementary – the actual mileage from Peachland Elementary to Mt. Boucherie would be claimed, and mileage to and from the highway to Peachland Elementary would be added to the calculation.

Example 2:

A relief custodian who lives in Vernon and works out of George Elliot would be paid from the closest school to the posting applicant's home (Oyama Elementary) to the school assigned for the relief position (e.g.: George Elliot Secondary) on the way to work, and then from the assigned school to Oyama Elementary on the way home. It is agreed that the relief custodian is not required to drive to Oyama Elementary from the highway on the way to and from his assigned school, but that the distance of 1 kilometer (the distance from the highway to Oyama Elementary) should be included in the mileage claim (e.g.: the actual distance from Oyama Elementary to George Elliot Secondary will be claimed).

It is agreed that for any travel between locations during the work day, mileage will be paid in full.

Appendix A

August 9, 2004 Memo from John Simmons, Transportation Coordinator, regarding Distribution of Field Trips

Order of Priorities

1. Most cost effective for the school
2. Available driver with least overtime hours
3. Short Notice – any trip needing to be dispatched within 24 hours may be done at the discretion of the Dispatcher. These do not happen often and any discrepancies in hours caused by these events are easily caught up.
4. Spare Drivers – Do not get assigned field trips unless a regular driver is not available. Spare drivers on field trips get straight time up to 8 hours per day.

Distribution of Work to Spare Drivers

Long term (more than one week) such as a route available due to 3rd hole placement, medical leave, etc., is given to the most senior available spare driver who wishes to take the run. This most times favours the senior spare driver.

Short term is done similarly to handing out field trips by trying to keep the number of hours even for each group of drivers (i.e. in-town, Westside, Winfield and drivers with kdg). For spares this is done by group according to hiring date. As mentioned above, senior spare do tend to end up with most hours.

Short Notice – Spare drivers being placed with less than 24 hours notice will be called at the discretion of the Dispatcher.

Extra hours won't be allocated to drivers who are unavailable due to being on a Union, OH&S, bereavement, jury or funeral approved leave of absence or who are under a court subpoena.

RE:

CERTIFIED EDUCATION ASSISTANT (CEA)
POSTING AND BUMPING

1. This letter of understanding replaces and supersedes the previous letter entitled **Certified Education Assistant (CEA)**.
2. Except for relief employees, CEAs will be regular employees subject to all provisions and entitled to all rights and benefits of the Collective Agreement, except as modified by this Letter of Understanding.
3. The letter recognizes the distinction between School-Based CEAs assigned to a school and Student-Based CEAs assigned to a specific student or students.
4. The parties agree that the nature of the work undertaken by CEAs may require flexibility in regard to the posting and bumping provisions of the Collective Agreement. Such flexibility is not in any way intended to limit the rights of the CEA, but in recognizing the potential for disruption to students during the school year, may justify postponing the exercising of these rights.
5. If during the school year it is required that additional time be granted to a CEA, such hours may be granted on a temporary basis without posting. These additional CEA hours shall be offered by the Principal, by seniority to CEAs who can work the additional hours.

6. Student-Based CEAs

- 6.1 In the event that a student assigned to a Student-Based CEA moves to another school in the district or leaves the school after September 30 of the school year, the Student-Based CEA will have the option of moving to the student's new location within the District or may request that he/she remain at the school to which the CEA is currently assigned.
- 6.2 A CEA who remains in the school must post to another position during the spring staffing period. This means that if a CEA does not apply for a CEA position with the same or greater hours and pay grade, that CEA will lose bumping rights. If the CEA is unsuccessful in attaining a satisfactory position during the spring staffing period, the CEA shall be able to bump into another

position. Satisfactory position is defined as the CEA being successful in a posted position with the same or greater hours at the same or higher pay grade. However, if a CEA chooses to apply for a position of fewer hours or at a lower pay grade during the spring staffing period and is successful, then that CEA has attained a satisfactory position.

- 6.3. Should it be necessary for the Employer to move the CEA to either another position in the District or to the relief list, the CEA will have the right to post or bump as described in 6.2.
- 6.4. All Student-Based CEAs will maintain the hours and pay grade of the position to which they were originally posted or were originally assigned until the end of the school year. If the assignment is after October 31 then the CEA hours and pay grade will be maintained if the assignment goes beyond the trial period.
- 6.5. A Student-Based CEA who takes a temporary assignment pursuant to Article 17(b) will not have the temporary hours or pay grade maintained beyond the temporary assignment.

7. School-Based CEAs

- 7.1. In the event that the number of identified students in a school decreases, after September 30 of each school year, the most junior School-Based CEA in that school will have the option of moving to the relief list, moving to a vacant temporary position, or may request to stay at the school to which he/she was originally assigned.
- 7.2. Should the CEA choose the relief list, another temporary position, or should it become necessary for the Employer to move the junior CEA to another school, the CEA must post for vacant positions in the spring staffing period. If the CEA is unsuccessful in attaining a satisfactory position during the spring staffing period, the CEA shall be able to bump into another position.
- 7.3. All School-Based CEAs will maintain the hours and pay grade of the position to which they were originally posted or were assigned until the end of the school year.

- 8. No CEA will be allowed to bump a Student-Based CEA who has been given an assignment to provide individualized attention to a specific student or students (Job # 871, 872, 873, 874 or 975 and any other Job that may be defined by the Joint Job Evaluation Committee during the course of this agreement).

9. Spring Staffing Period

Article 17 of the Collective Agreement, Promotions and Staff Changes, shall be applied in the following manner for CEA positions:

- 9.1 On or before June 1 each year, any identified vacancies for CEAs, commencing in September, will be posted and filled by June 30.
 - 9.2 The posting procedure and the bumping pursuant to 6.2 and 7.2 of this Letter shall be completed by June 30 of each year.
 - 9.3 Vacancies filled, on a temporary basis during the school year, shall be posted and filled prior to June 30 of that school year.
10. Fall Staffing Period
- 10.1. Any vacancies occurring after postings close in the spring staffing process shall be posted in the second week of August each year. These postings shall be open for five (5) days.
 - 10.2. Vacancies resulting from the postings in 10.1 shall be posted by the fourth week of August each year. These postings shall be open for five (5) days.
 - 10.3. Any vacancies occurring after the postings in 10.2 above, shall not be posted, but shall be offered to CEAs on the layoff list by seniority, and then to relief CEAs by seniority. There is no limit to the number of times a CEA may decline an offer of employment.
 - 10.4. Vacancies which will continue the following school year will be filled, on a temporary basis during the school year, shall be posted and filled prior to June 30 of that school year.
11. Notwithstanding the absence of a student to whom the School-Based or Student-Based CEA is assigned:
- 11.1 The CEA (School-Based or Student-Based) shall report for work and shall perform such duties as are assigned by the Employer on non-instructional days, or where the student's absence is ten (10) school days or less.
 - 11.2 Where the student to whom the Student-Based CEA is assigned is absent for more than ten (10) school days, the CEA shall be offered temporary work from the relief list for the duration of the absence with the same number of hours and pay grade.
 - 11.3 Where there is a temporary reduction in hours for more than ten (10) school days because of student absence and work for all the School- Based CEAs is not available at that school, the junior CEA at the school shall be moved onto the relief list with the same number of hours and pay grade.
12. The two parties agree to meet on an annual basis to review the educational and other implications of this Letter of Understanding for children, classes, schools, and CEAs.

RE:

RETIREMENT ALLOWANCE STUDY

During 2014 Collective Bargaining the Employer proposed deleting the retirement allowance and reallocating those savings towards a wage increase.

The Employer provided some information as to options of how to delete this provision ranging from complete deletion effective immediately to various methods of grand parenting current employee entitlements.

The Union expressed concerns over removing the retirement allowance but also appreciated the potential for increased wages for Local 3523 members.

To that end the following was agreed:

A joint committee shall be formed to determine:

- The various methods of reallocating the monies currently budgeted for retirement allowances to a general wage increase, and;
- How grand parenting could be implemented for current Local 3523 members, and;
- The precise savings that would be achieved from each of the various options.

A report shall be provided from the joint committee to the Parties outlining the details and precise accounting of cost savings and potential wage increases.

The Union will subsequently present this report to its members for their review consideration.

Any agreed changes flowing from this process will be implemented effective June 30, 2015.

RE:

PROVINCIAL ACCORD RE SCHOOL YEAR LAYOFFS

The Public Sector Accord on K-12 Support Staff Issues contains the following provision:

Government Funding Flows

To address the structure and operation of government funding flows, Government will commit to ensuring that the funding allocation formula used to calculate the preliminary funding (spring) for districts will be utilized to calculate final funding (fall) allocations to districts. Further, it will commit to providing school districts with the technical ability to calculate final funding allocations during the month of September. School districts and local unions agree to cooperate in implementing the operational practices/parameters to facilitate the achievement of the staffing process contemplated by this element of the Accord. This includes identifying ways to address emergent circumstances occurring after September 30th. In return, school districts will commit that regular (continuing) support staff employees in positions as at September 30th will not be declared surplus (laid off) to the districts for that school year.

The parties agree that this provision applies to all regular and probationary employees in regular positions as at September 30, of each year for the life of this Letter.

In the event that an employee is to be laid off or to have a reduction of hours, the provisions of Article 16 shall apply to employees other than CEA's. CEA's shall be governed by the Letter of Understanding re Certified Education Assistants. There shall be no reduction of normal compensation for employees covered by this provision prior to the end of the school year unless the employee declines reasonable alternate work.

Where an employee alleges that the alternate work offer is unreasonable, the parties shall meet to resolve the matter. Failing agreement, the matter shall be determined through expedited arbitration within the thirty day notice period for layoff.

4. Benefits Standardization

The Parties agree to pursue a voluntary standardized extended health plan to be implemented during the term of the collective agreement in accordance with the terms laid out in Appendix C.

5. The Support Staff Education and Adjustment Committee (SSEAC)

The Parties agree to renew their commitment to the Support Staff Education and Adjustment Committee (SSEAC). The Parties remain committed to the exploration of the following:

7. Learning Improvement Fund – Support Staff

The funds stipulated in Item 1 of the LOA – Learning Improvement Fund: Support Staff Priorities (Appendix D) are the greater of \$10 million or 20% of the LIF commencing on July 1, 2015. These funds will be allocated to School Districts in accordance with the following principles as per established SSEAC procedures:

- a) Additional hours will be allocated to EA positions of more than 10 and less than 35 hours where required to provide support for the learning needs of students in alignment with district objectives and the Learning Improvement Fund Statute and Regulation. This does not preclude the creation of new full time or part time EA positions.
- b) In order to facilitate the creation of full time jobs, the Parties encourage the bundling of duties.
- c) In order to promote continuity of student coverage consideration will be given to creating positions of equivalent length. For clarity, shifts scheduled for a duration not ending in a whole hour or half hour, will be increased to the next half hour.
- d) Consideration may be given to the establishment of itinerant positions to enhance services to students with special needs and provide for the opportunity to effectively deploy EA's in circumstances of changing enrollment throughout the school year.

- f) SSEAC will receive the jointly agreed plans from school districts and locals.
- g) If disputes arise regarding the implementation of this agreement the matter will be referred to the SSEAC.
- h) Should SSEAC fail to resolve the issue to the satisfaction of the referring parties the matter may be sent by either party to mediation using a mutually agreed upon mediator.
- i) If permitted by legislation and regulation, a one-time allocation of \$2.5 million from these funds, on or after July 1, 2015, will be provided to the SSEAC Skills Enhancement Fund to be distributed to school districts for job related EA training according to established procedures. The Parties agree to write a joint letter to the Ministry requesting that any enabling changes to legislation and regulation be made to allow this to occur.

8. PEBT

a) Date adjustment for the annual funding of the PEBT LTD plan:

Change the date of the annual funding payment of \$19,428,240 provided by the Ministry of Education from January 1 to April 1 of each year, commencing April 1, 2015. Thereafter the Ministry of Education will provide the PEBT with \$19,428,240 each April 1.

The annual contribution period will continue to be based on the calendar year.

Recognizing the impact on interest earnings as a result of the three (3) month delay in 2015, the PEBT will be provided with a one-time interest payment by the Ministry of Education of \$300,000 on January 2, 2015.

b) Employee Family Assistance Program (EFAP) services and the PEBT

The Parties request that the PEBT Board undertake a review to assess the viability of administering all support staff EFAP plans.

The Parties will write a joint letter to the Ministry seeking agreement to include representatives from the support staff unions in a consultation process involving shared services undertakings that may have an impact on support staff positions.

10. Demographic, Classification and Wage Information

BCPSEA agrees to coordinate the accumulation and distribution of demographic, classification and wage data, as specified in the Letter of Understanding dated December 14, 2011, to CUPE on behalf of Boards of Education. The data currently housed in the Employment Data and Analysis Systems (EDAS) will be the source of the requested information.

11. Standardized Job Evaluation Study

The Parties will establish a provincial joint job evaluation steering committee (the JE committee) within thirty (30) days following the signing of this framework agreement. The committee is responsible to create a provincial job evaluation plan which may include a regional or local approach. The JE tool will be based upon the CUPE gender neutral job evaluation plan. The Parties agree the plan can be modified to fit the needs of the K-12 sector.

The committee will report out to the Parties at key milestones during the development of the plan. Should any concerns arise during the development they will be discussed and resolved by the Parties at that time.

Upon successful completion of the plan the Parties will identify one local in each of the seven established CUPE regions to pilot the plan prior to full implementation.

12. Job Evaluation Fund

To fund the development work of the JE committee during 2014 the Parties agree to a one-time allocation of \$50,000 from SSEAC.

To facilitate the implementation of the provincial job evaluation plan a fund will be established within SSEAC with an initial one-time allocation of \$250,000 on July 1, 2015 and annually each year thereafter during the term of the framework agreement, for a total of \$1,000,000 in one-time funding.

In addition to the one-time allocations, ongoing annual funds of \$900,000 will be added to the job evaluation fund for implementation purposes at January 2, 2019. Any residual ongoing funds that are available after the implementation of the standardized benefit plan will be added to the job evaluation fund.

13. Provincial Bargaining

The parties agree to amend and renew the December 14, 2011 Letter of Understanding for dedicated funding of \$200,000 to the K-12 Presidents' Council to facilitate the next round of provincial bargaining. This funding will be allocated as of July 1, 2016.

14. Unpaid Work

In accordance with the *Employment Standards Act*, no employee shall be required or permitted to perform unpaid hours of work.

15. Workload Concerns

The Parties agree that employees should be provided with a reasonable workload. Employees with workload concerns are encouraged to bring these concerns to their supervisor or union in order that the concerns can be addressed.

16. Modified Calendar

The parties recognize calendar changes are an area of concern for local support staff unions. For future calendar amendments during the term of the collective agreement the Parties agree to review and compile best practices on existing modified calendars.

The Parties recommend that where boards of education are considering making calendar changes that may have an impact on the income of support staff employees, the support staff union will have the opportunity to provide input prior to the decision being made.

Dated this 7th day of June, 2014.

The undersigned bargaining representatives agree to recommend this letter of understanding to their respective principals.

Re: Employee Support Grant for after June 30, 2014

1. This Letter establishes a process under which employees covered by collective agreements between Boards of Education and the Unions may be entitled to recover wages lost as a result of legal strike activity by the BC Teachers' Federation ("BCTF") or lockout by BCPSEA after June 30, 2014.
2. To that end, the parties to this Letter agree that each member of the union employed as of the date of ratification of a collective agreement between a board and local unions or who retired prior to September 30, 2014 may receive payment pursuant to the terms of this Letter.
3. Within thirty (30) days of the conclusion of the current dispute between BCPSEA and the BCTF, boards will reimburse each employee covered by a collective agreement between the board and a local union for all scheduled hours that the employee would have worked and for which the employee has not otherwise been paid after June 30, 2014 but for the labour dispute between BCPSEA and the BCTF.
4. If the employee disputes a payment received from the board, the union may submit the dispute on the employee's behalf to a committee comprised of an equal number of representatives appointed by BCPSEA and the Unions.
5. If the joint committee is unable to resolve the employee's claim it will submit the dispute to (NAMED ARBITRATOR) who must resolve the dispute within ten (10) days of hearing the differences between the board and the union.
6. This Letter expires on November 30, 2014 and is of no further force and effect except where a board and a union have a collective agreement which has been ratified by both parties no later than November 30, 2014.

TERMS OF REFERENCE

BETWEEN:

BRITISH COLUMBIA PUBLIC SCHOOL EMPLOYERS' ASSOCIATION

AND

K-12 PRESIDENTS COUNCIL

Re: Exploration of a Greater Standardization of Benefits Plans

The parties agree to move to an optional standardized provincial extended health benefits plan (standardized plan) which would include the majority of support staff members. To further such change the parties agree to form a working committee with the goal of achieving agreement on a standardized extended health benefits plan.

Terms of Reference:

1. The committee will consist of no more than 4 members of the K-12 Presidents' Council and no more than 4 members of the BCPSEA bargaining teams. Each party will identify its representatives by June 10th, 2014.
2. The parties agree the committee will utilize the services of Morneau Shepell to assist in the process. Each party shall retain the right to invite a member of its organization to participate in the discussions where that person would bring in valuable expertise.
3. Local unions who decide to join the standardized plan must elect to do so by July 1, 2016 or a later date as mutually agreed by the Parties.
4. Where the local union in a district determines their existing plan has superior benefits and that local union elects not to participate in the standardized plan, the local union shall retain their existing plan.
5. Local unions may choose not to join the standard benefits plan without opting out of the provincial framework agreement.
6. Any measurable savings realized by movement towards a standardized plan will be retained by the PEBT unless a local collective agreement provides otherwise.
7. BCPSEA will provide ongoing annualized funding to the Boards of Education in the amount of \$3,000,000 effective September 1, 2017 to facilitate the completion of a standardized plan.
8. Any residual unused funds from the implementation of this standardized plan will be allocated to the job evaluation fund.

9. The parties commit to engaging in intensive discussions with the goal of developing a responsible standardized extended health benefit plan by June 13th, 2014 or a mutually agreed upon day.
